Membership Newsletter

we're so glad you're here!

Welcome from president, Rick Bailey

As we begin a new season of winter fun, I want to welcome all new and returning members to the 2024 season. Our organization relies on active members volunteering their time in support of our common goal and we are grateful for each of you.

We have been listening and know you are looking forward to groomed trails. Snow conditions have allowed us to groom three times this season. Preservation of the equipment is always a priority and unfortunately, the conditions have been less than ideal. We look forward to getting more trails groomed as the season allows. Updates will be posted to our Facebook page. Be sure to like and follow for current Club info.

As we move forward, we want to hear from you. Our email addresses and phone numbers are below. Let us know the areas that need attention, projects that we should consider, or areas that you think will better support our organization's goals.

CHCH belongs to all of us and we want your voices heard.

BUILDINGS AND BULLYS, OH MY!

This summer and fall has been full of work as we constructed the new CHCH shop. The shop allows us to store the Piston Bully's and other equipment indoors, lengthening their lifespan and allowing more years of trail maintenance. Many hours of volunteer labor and donations from local businesses have brought us here. Thank you to CHCH Members that have dedicated many hours this year to this project! Tim VanSickle, Jody Hoskins, Rob & Cindy Henry, Pete Granger, Larry Davis.

Gravel Pit Parking

MEMBERS ONLY

Be sure to display your parking placard when parking in the CHCH private parking lot at the Gravel Pit Trail. Using the parking lot is a benefit of your membership and we want to ensure availability to all members, even during busy holiday weekends. We want to hear your ideas regarding parking or anything else regarding the lot. Ideas that we've heard are better signage marking that it is private property, securing the lot with a gate/lock, having members greet people entering the lot, especially on busy weekends. What ideas do you have?
