WHAT IS EXPECTED OF BOARD MEMBERS?

Have you ever wondered what is expected of the Board members? Did you know that each person elected is provided a handbook that outlines the club background, bylaws, position duties, etc? All of the current members have taken on more than one role to ensure smooth club operation. Many positions have duties that are easy to define, such as the Grooming Coordinator manages all grooming details, Social Media manages all social content, the Treasurer of course manages the accounts and assets. Some positions will require more time or effort, but much of it can be done on your time, from home. Ideas, brainstorming, volunteering for events are all valuable contributions that you can contribute with limited time out of your schedule. Each Board member is asked to participate in the primary annual events: Kick Off Party, Family Fun Day and the Sports and Rec Show, as well as attend all Board and General Meetings, which happen monthly through the winter months.

MEET THE BOARD AND OFFICERS AT FAMILY FUN DAY

The Board of Directors and Officers will be available at Family Fun Day to answer your questions. Did you submit your nomination for an open position? Do you want to know more about the time obligation, or tasks assigned to each position? Are you curious about future Club plans? Do you have ideas about ways to grow our club? Do you want to volunteer? We invite you to meet with the current Board at family fun day, March 16th @ 1pm.

ELECTION NEWS

I AM UNABLE TO COMMIT TO BEING A BOARD MEMBER, BUT I WANT TO HELP. HOW CAN I CONTRIBUTE?

Great question! There are many opportunities to volunteer without leaving your home, or stepping into an official role. We cannot operate or offer special events (Kick Off Party, Family Fun Day, Fun Runs and the Sports and Rec Show) without volunteers like you. Each event requires planning, set up, event participation and clean up.

Volunteers are vital to the success of these events and allow us to add more engaging activities for our community. The person writing these newsletters is a member that volunteered to create content, as a way to contribute to the organization, without stepping into an official Board role.

Here are a few upcoming opportunities we can use some help with: Family Fun Day (Planning, set up, clean up) and the Sports & Rec Show (volunteers needed to supervise the booth).
